JohnsonDiversey Inc. is a leading global provider of commercial cleaning, sanitation and hygiene solutions. JohnsonDiversey, is committed to a cleaner, healthier future by providing its customers with the products, solutions and expertise to make their facilities the safest and cleanest facilities in the world. JohnsonDiversey employs more than 10,800 people worldwide and sells into more than 175 countries.

JohnsonDiversey has its roots in S.C. Johnson and Son Inc., founded in 1886 in Racine, Wisconsin. Beginning as the Services Division of S.C. Johnson in the 1940s, JohnsonDiversey gained independence from its parent in 1999 as Johnson Wax Professional. JohnsonDiversey is majority owned by the Johnson Family of Racine, Wisconsin. Chairman S. Curtis Johnson is the great-great-grandson of the company's founder.

JohnsonDiversey was formed in May 2002 when Johnson Wax Professional acquired DiverseyLever from global food conglomerate Unilever NV, making the new company a global leader in the institutional and industrial cleaning and hygiene business.

While JohnsonDiversey, Inc. is a privately owned company, it holds publicly traded debt and is, therefore, a public reporting company subject to Securities and Exchange Commission regulations.
